Newy News

The Newry News is usually published fortnightly on Fridays. Please keep an eye out in your email as the calendar is regularly updated including information about excursions or other events. Separate permission notes for all excursions and activities will be sent home with your children. The Newry News also shows parents what the classes have been learning over the previous weeks.

Hats

Parents please check each day that your child has a hat as we do follow the sun safe policy of 'no hat play in the shade' and this can disappoint some children.

Sibling Enrolments

If your child has younger siblings who will be attending Newrybar Public School in future years, please complete the form sent home with your child today and return to the office so we can add them to our lists for the upcoming years.

Uniform Orders

A uniform order form was sent home with your child today. **Please ensure you order enough for your child, including winter items. Orders are due by Friday, 17 February.** We will not be placing another uniform order until the end of Term 3. Due to limited space in the office, only limited uniforms can be kept in stock at school.

Senior Art & Drama

Senior students were introduced to shadow art.

Library Days

Library days are, Yrs 4-6 Wednesday and K/1 and Yr 2/3 Friday. Please remind your children to return library books by their library day. Returns can be made any day by placing books in the returns box on the library table. All students are encouraged to borrow regularly as there is a wide selection of books for all ages available.

Kindergarten Maths

Kindergarten students have been learning to read, write and recognise numbers to 10.

Headlands District Swimming Trials

Wishing Newrybar Public School swimmers Harry, Noah, Amelia & Juno who will be representing the VoSS team, all the best at the Headlands district trials at Ballina Memorial Pool next Wednesday.

Update Contact Details

Today your child has a note for parents to update current family contact details on file. Please complete the attached note and return to the office with the contact information sheet so we have your most up-to-date details on file.

Joggers for PE and Sport

Sport is Wednesday and PE is Thursday. Please send your children in joggers on these days, with a hat and water bottle.

Home Readers

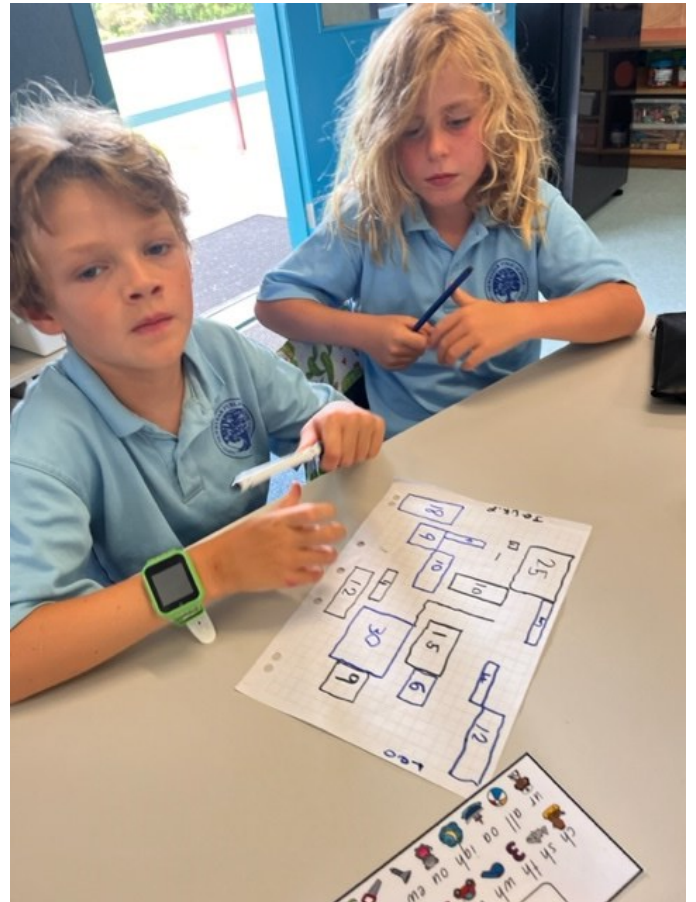

Students are starting to get home readers. We ask that parents read these with your children and return the pouch to school bags every day as we use these same books in class activities. Even if you didn't read the book it still needs to come to school every day.

4-6 Music

The senior class have been learning recorders and in groups are participating in 'Battle of the Recorders'.

2-3 Maths

Students in year 2-3 have been practicing their multiplication.

Back to School Bus Safety

With the school holidays coming to an end and students heading back to school this week, motorists are asked to make safe driving their number-one priority.

For motorists

- School zones are now back in force. Reduced speed limits and additional demerit points apply.

- Sticking to the speed limit and following the road rules in school zones.
- You must also slow down to 40km/h when bus lights are flashing.
- Lights flash on buses to warn motorists that buses are picking up and dropping off children.
- Looking out for children crossing the road near bus stops, in school zones or along bus routes.
- Giving way to buses when they merge back into traffic.

STOP!
one step back from the kerb

LOOK!
continuously both ways

LISTEN!
for approaching traffic

THINK!
is it safe to cross the road?

For parents

- Never drop off or meet your child on the opposite side of the road to the bus stop or call them across the road.

- Always drop them off or meet them on the same side of the road as the bus stop.
- Remind your children to always wait until the bus has gone before choosing a safe place to cross the road.
